50. Memoriams

In Memory
In loving memory of Eugene Witt Martin, who died one year ago today, June 2, 1979.

God gave us a
Wonderful person,
One of the world's
Very Best;
And when on earth
His work was done,
He called him home to rest.
Lonely are our hearts
Without you,
Sad it seems for us today;
For the one we love
So dearly,
From us has passed away.
He had a smile
For most everyone,
A heart as pure as gold;
To us who knew
And loved him,
His memory will
Never grow old.
Often we sit and wonder,
When lights
Are burning low;
Was it because we loved
You too much,
God's call was you must go.
Broken is our family circle,
Now that you
Have gone away;
Gone from earth
And earthly darkness,
Into a bright
And perfect day.
May we live
And serve our Master,
Walk the straight
And narrow way;
So when life on earth
is ended,
We will meet in heaven
Some sweet day.

Sadly Missed by,
Wife, Daughter, Father,
Mother, Brother, Sister, and
Grandmothers

NOTICE TO THE PUBLIC BY
Southside Electric Cooperative

Notice is hereby given that the Southside Electric Cooperative (Cooperative) has filed with the State Corporation Commission of Virginia an application for approval to revise its Wholesale Power Cost Adjustment Clause (WPCAC) and to put into effect a Temporary Surcharge Rider.

The revised WPCAC and Temporary Surcharge Rider are not intended to change the amount of the fuel revenues that the Cooperative would collect, but the revised WPCAC will shorten the lag that presently occurs in the collection of fuel expenses or in the refunding of fuel credits and will affect monthly fuel adjustment factors billed to the consumers.

The revision that the Cooperative requests to make in the WPCAC would allow a differential factor to be added to the monthly fuel charges as presently computed to correct on a six month average basis the net difference (whether increase or decrease) between the actual fuel expenses paid by the Cooperative to its wholesale supplier in the preceding six months and the fuel revenues collected by the Cooperative from its consumers in the same six months.

The implementation of the Temporary Surcharge Rider is to recover fuel expenses that have been experienced by the Cooperative, but not yet recovered from the consumers under the present WPCAC. The Temporary Surcharge Rider will be automatically cancelled once the deferred fuel expenses have been recovered.

The proposed clause and Temporary Surcharge Rider are on file with and may be seen at the offices of the State Corporation Commission, Blanton Building, Richmond, Virginia or may be seen at the office of the Cooperative in Crewe, Virginia.

Any interested person who objects to the approval of the proposed revision in
